## Notes:

- A Full/Twin denotes a bunk bed with a twin size top bunk and a full size base bunk.
- A Twin/Twin denotes a bunk with twin size top and base bunks.
- Rooms that lists a span for a capacity, for example "capacity 3-4" is based on if the full size bed of the bunk is occupied by one or two people.
- Smith and Woodman cabins are open plan rooms that can have dividers installed that separate them into two rooms. Please request this if you need them.
